

XHANTI
MBULA

PROFILE

I am a motivated, adaptable, and hard-working computing graduate who can adapt in many stages of computing. I am proficient in many technologies including C#, Asp.Net Core, HTML, and Microsoft SQL Server. I am also knowledgeable in OOP(Object Oriented Programming), Data Structures, Software Engineering, creating dynamic websites, and Networking. I have a methodical, customer focused approach to work and a strong drive to see things through to completion. I am able to self-manage during independent projects, as well as collaborate in a team setting.

I am also an artist, of which art has led me to better understand UX designs. I am very passionate and willing to learn more about the world of computing and code and explore programming languages

EDUCATION

First Steps Primary School

2005 - 2014

I was always amongst the top 10 best performing students in my classes from grade 1 up to grade 9 of which I mostly excelled in Mathematics, Arts and Culture, Technology and Natural Sciences.

Butterworth High School

2015 – 2017

I was in 3rd position of the top best students who performed well in Mathematics and Physical Sciences in my class of which I received an award (Grade 11).

I was in first position in my IT (Information Technology) class of which I received a medal (Grade 12).

University Of the Free State

2018 – 2022

BSc Computer Science majoring in Computer Science and Business Management. During my course of study, I was invited to join Golden Key which is an organization who acknowledges the best performing students in their field of study.

Relevant Modules

- Data Structures (75%)
- Human Computer Interaction (83%)
- Database Principles (69%)
- Internet Programming (75%)
- Networking
- Design Patterns (64%)

Achievements

- I was invited to join Golden Key which is an organization who acknowledges the best performing students in their field of study.
- I won an Arts and Culture competition which led to me to be invited to many Arts and Culture events hosted by the UFS to showcase my work. At the end of the year I was awarded with an Arts and Culture certificate.

QUALIFICATIONS

- **Bachelors Degree in BSc Computer Science majoring in Computer Science and Business management.**

WORK EXPERIENCE

Sannex

I worked as a helper during the holidays. I was being employed informally.

Vissionary Arts

I do portraits and art depending on what the customer wants.

SKILLS

- Developing Console and Windows form Applications using C#.
- Quick to adapt in computer systems of any workplace
- Creating Dynamic websites using ASP.Net Core

- Drawing (Portraits, Designing, Simplistic/Abstract art)
- Producing Music
- Well Organized / Time Management
